

# Attention!

## Debris Removal Procedures

Christian County will begin removing debris for all county residents starting approximately February 1st.

*This is for ALL County Residents, inside or outside city limits!*

Please pile your debris along the road and we will pick it up. PLEASE don't block driveways, fire hydrants, and utility access.

Also, make sure you don't block the sight of motorists trying to enter and exit the road.

A schedule of pick-up times will be posted soon.

We will make at least 2 passes in every location. If you don't get it all out on the first time, don't worry, we will be back. In the hardest hit areas, we might make as many as 3 passes.

We will pick up tree limbs ONLY. No other trash.

If you are able, you can take your debris to the Journigan dumpsite, (on Wisehill Road east of P Highway).

*Taking your own debris to this site will help save your tax dollars!*

Info will be posted at: <http://christiancountymo.gov>  
Emergency Management Office Phone 417-581-2126

**Thank you for you Patience!**
